London & South East BIM Region events

Seven events are scheduled, one per month from October through to April, and while each event can be attended in isolation, maximum benefit will be derived from signing up to attend all events. Each event incorporates activities geared to developing the learner's capability and includes additional voluntary pre-event reading material and post event exercises.

- **9 December 2015:** [How to Implement BIM](#)
- **20 January 2016:** [Utilising BIM Technology](#)
- **10 February 2016:** [What good data looks like](#)
- **2 March 2016:** [BIM and Contracts](#)
- **23 March 2016:** [Level 3 BIM, Digital Built Britain](#)
